

If you have not received your tracking confirmation email from the shipping courier, you can find the tracking information in your **Order History** when you are logged in.

To do so follow these simple steps.

1. Navigate to **Order History**.
 2. Locate the order you'd like to track.
 3. Select "**Order Details**" for the order you'd like to track.
 4. Select "**Track Package**" next to each item that has shipped.
