

Life happens. As such, there may be occasions when you cannot meet your monthly requirement that you need to maintain your Brand Representative status. For situations like these, it's Flex Points to the rescue!

What Are Flex Points?

Flex Points are a Group Sales Volume substitute that are used to Maintain your status as a Brand Representative if you do not complete at least 2,000 Group Sales Volume in a month. Flex Points cannot be used to satisfy the 250 Direct Customer Sales Volume requirement, and you cannot use more than 1,500 Flex Points in a month.

Some other things to consider about Flex Points are:

- Flex Points do not provide Sales Volume or Commissionable Sales Value, and no Bonus is paid on Flex Points.
- Flex Points have no monetary value and cannot ever be redeemed for cash.
- Flex Points do not expire and there is no limit to the amount of Flex Points you can accumulate; however, any accumulated Flex Points will be forfeited if you lose your Brand Representative status.

When Flex Points are used to Maintain your Brand Representative status, you are not eligible to earn Building or Leading Bonuses that month.
