

As a Brand Affiliate with a *personal account*, you may have your spouse added to your account as an associate. To have your spouse added, you must complete the Amended Brand Affiliate Agreement (US/CA). All items marked with an asterisk* must be completed fully and you and your spouse must both sign the document. A copy of the completed form, as well as a copy of your marriage license, will be required to make the change.

As a Brand Affiliate with a *business account*, you may have anyone added as a partner to the account. To have an associate added, you must complete the Amended Brand Affiliate Agreement (US/CA) and the Business Entity Form (US/CA). All items marked with an asterisk* must be completed fully and you and all partners must both sign both documents. A copy of both completed forms will be required to make the change.

Email all completed paperwork to DataEntry@nuskin.com. If any of the paperwork is incomplete, the change cannot be processed. Contact our Brand Affiliate Support department to receive additional assistance.

Associates cannot already have a pre-existing account in our system.
