

formulas or cleansers with the ageLOC LumiSpa iO?

Last Modified on 09/30/2022 4:39 pm MDT

ageLOC LumiSpa treatment cleansers are specifically formulated for use with the ageLOC LumiSpa iO device. They enable the precise cushioning, cleansing, and interaction with the skin, optimising the effectiveness of LumiSpa iO's proprietary treatment head action. They are the only formulations tested and approved for use with LumiSpa iO to deliver the full system benefits of Micropulse Oscillation technology and promote healthy, youthful-looking skin.
