

ships?

Last Modified on 06/07/2023 12:01 pm MDT

Yes. An email will be sent 5 days before your subscription order is shipped. An order confirmation email will also be sent when the subscription order is placed and a tracking email is sent when your subscription has shipped.

If you need to update your email, login to your account. Once logged in, you will land in your profile page where you will be able to update your email address. Click Save Changes.
