Nu Skin Rewards has no levels/tiers and no confusing point systems. It is simple and easy. Nu Skin Rewards is based on subscription orders. When you subscribe and purchase monthly products, you will continue to receive perks and save. When it comes to what is most important in this program, it is all about maintaining your monthly subscription, and that is it! No opt-ins, no extra work, just one subscription order a month and you are a part of it!

Should you cancel your monthly subscription, you will not receive perks from this program. But you can always join again by setting up a subscription as a member or retail customer and start to buy every month again.

Simple, yet rewarding!
